

## Spring 2012 WEEKEND & MODULAR WEEK COURSES

November 15, 2011 – Subject to Change

Classes offered through ACTS Seminaries are offered on the assumption that students will require the entire semester to complete the necessary course work. Students are urged to engage their course requirements for all courses at the start of the semester, regardless of when their various classes are scheduled to meet on the campus.

Syllabi are available online on the ACTS website [www.acts.twu.ca](http://www.acts.twu.ca).

Check online timetable for current information on all classes
